

Chicago LegalTrek Syllabus

Summer 2026

A Pipeline Initiative of the Chicago Committee for Minorities in Large Law Firms
and DePaul University College of Law

I. Purpose

LegalTrek’s mission is to increase the pipeline of law school candidates entering the Chicago legal community. LegalTrek is a college summer program designed to provide a hands-on, comprehensive overview of the legal profession. The LegalTrek program strives to diversify the legal profession by encouraging and supporting college students to attend and succeed in law school.

II. Expectations and Goals

A. Attendance

Simulations and other hands-on learning experiences are scheduled for each class session. If you are absent from class, you will disrupt the exercise experience for yourself and your classmates. Additionally, class discussion and instruction are essential to your development as a future law student and attorney. For these reasons, attendance at all classes is required. If you must miss a class, please notify Anna Lloyd in advance. If you miss more than two classes for any reason (except an emergency) you will be asked to withdraw from the LegalTrek program. Classes will begin promptly at the scheduled time unless otherwise noted. All students will be in class and ready to begin at each session’s starting time. Repeated tardiness is not professional and will not be tolerated in this professional program.

B. Mentorship

Each LegalTrek Scholar will be assigned to a mentor or mentoring group with an attorney mentor from the Chicago legal community. You will be expected to meet with your mentor at least once over the summer and keep your mentor apprised of your progress in LegalTrek.

C. Law School Planning Sessions

Each LegalTrek Scholar may meet with the instructor. You may attend one “Law School Planning Session” together for approximately 30 minutes. At this session you will discuss:

- Taking the LSAT and LSAT prep course options;

- Your personal statement (you are expected to bring it to the meeting);
- Your GPA and classes to take to boost your GPA or to prepare for law school;
- What law schools you want to apply to and attend-and what the median GPAs and LSATs of those schools are, and how your numbers fit in;
- Who you will be asking to write you letters of recommendation for law school and how to get great recommendation letters.

D. Schedule

This class will normally meet on Wednesdays from 2:00 p.m. to 4:30 p.m. from June 17th through July 22nd. This schedule is subject to change.

E. Business Casual Dress

LegalTrek is a professional program whereby you will be interacting with mentors, attorneys, and on some occasions, judges, and law clerks. We want to always look professional, and this means a dress code that is business casual. Business Casual attire generally means slacks, a shirt with a collar or a blouse, and appropriate length skirt/dress. **BUSINESS CASUAL MEANS NO: blue jeans, sleeveless tops, midriffs, low-cut tops, too short or too tight clothing, flip-flops, T-shirts, or gym shoes.**

F. LSAT PREP

LegalTrek encourages all eligible scholars to sign up with the LegalTrek discount for the session of the Princeton Review LSAT prep course. More information about the prep course will be discussed in class.
